## Delivery Tips and Best Practices

1. We will do our best to accommodate your delivery preferences.
2. You will receive an email within 2 weeks after the deadline regarding your general delivery date.
3. We will contact you again within 24 hours prior to delivery with a more specific time of delivery.
4. On delivery day, our drivers call you when they are enroute to your location. Please have your cell phone handy.
5. Please be patient and considerate as we try to get all fundraisers delivered as timely as possible.
6. We suggest having 4-6 people to assist in unloading the truck.
7. It's best to unload in a big, open space wherever possible.
8. Payment is due upon delivery to our drivers.
