

Delivery Tips and Best Practices for Mums

1. We will do our best to accommodate your delivery preferences. Please be patient and considerate as we try to get all fundraisers delivered as timely as possible.
2. You will receive an email within 2 weeks after the deadline regarding your general delivery date.
3. We will contact you again within 24 hours prior to delivery with a more specific time of delivery.
4. On delivery day, our drivers call you when they are enroute to your location. Please have your cell phone handy.
5. We suggest having 4-6 people to assist in unloading the truck.
6. It's best to unload in a big, open space wherever possible.
7. Label an area with each color name (use chalk or a poster board) unload into those areas in rows of 10 for easy counting.
8. Count the totals in your colors to make sure they match your invoice before you sort out into your individual orders.
9. Payment is due upon delivery to our drivers.

Thank you for your understanding!
